

10th Annual

September 23-24, 2011 at Cabbage Key

The 10th Annual Redneck Invitational Fishing Tournament is sponsored *by and for* anglers in the agricultural industry.

The first nine years of the tournament have been a raging success because of generous contributions from our many sponsors, enthusiastic participation by our 100 plus anglers, and the world-class accommodations and service at Cabbage Key and Tarpon Lodge.

This year's tournament expects to be even bigger and will see a significant increase in the number of anglers. The tournament committee is working hard to improve this event in every area and is grateful for you, our loyal sponsors, and your generous support.

Date: _____

Sponsor Name: _____

Thank you for your generous contribution of \$ _____. Your sponsorship of this event, along with the other sponsors' contribution, is what will make this year's tournament the success we all want it to be.
